Quick Start Guide

WARNING! WIRELESS AND CORDED SPEAKERS

NORTH AMERICA

Permanent hearing loss may result from long-term exposure to sound at high volumes. Use at low a volume as possible.

Avoid using your headset in the following sounds at loud volumes and high pitched tones. Under certain circumstances, earphones for such sounds can result in permanent, hearing loss damage. The volume level may vary based on conditions such as the type of device, battery life, and the fit of the earphones. Always test the volume and the sound pressure levels. Please read the Safety Guidelines before prior to using the product.

You Can Reduce the Risk of Hearing Damage by Following These Safety

- Start the volume control to its lowest level.
- Gradually increase the volume to a comfortable level.
- Slowly adjust the volume control to a comfortable level.
- Do not use at high volume for long periods.
- If increased volume is necessary, adjust the volume control slowly, and
- If you experience discomfort or ringing in your ears, immediately discontinue using the headset.

With continued use at a high volume, your ears may become accustomed to the sound level, which may result in permanent damage to your hearing without any discomfort sensation.

SAFETY INFORMATION

- Use of a speaker will impair your ability to hear other sounds. Use caution while using your speaker when you are engaging in any activity that requires your full attention.

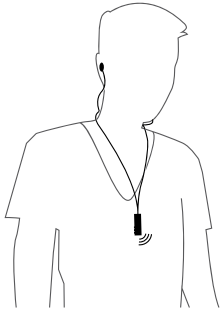
WEARING THE JABRA PLAY

The Jabra Play has two different wearing styles.

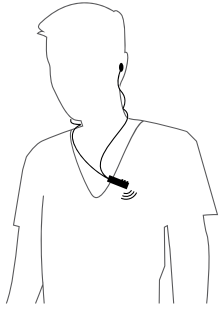
Around the neck

Create a loop using the headphone cables, and wear around the neck. Adjust the length of the cable by moving the clip on the wire either up or down.



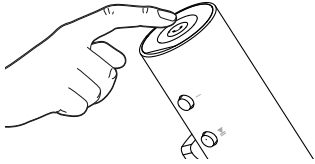
Clip-on

Clip the Jabra Play to your clothing, using the clip-on attachment.



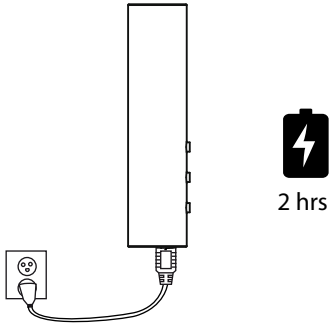
TURN ON THE JABRA PLAY

Press and hold (4 secs) the **Answer/end** button to turn the Jabra Play on/off.



CHARGING THE JABRA PLAY

Remove the micro-USB protector and plug the Jabra Play to a power supply using the charging adapter. It takes 2 hours to fully charge.

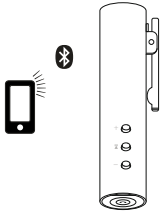


CONNECTING

FIRST TIME PAIRING

1. Turn the Jabra Play on. (press and hold the **Answer/end** button for 4 seconds).
2. Activate Bluetooth on your Mobile phone, and select Jabra Play. If asked for a PIN code enter 0000.

NOTE: After the Jabra Play and a mobile phone have been paired they will automatically connect whenever the Jabra Play is switched on, and the mobile phone has bluetooth activated and is within range (10 m).



PAIRING WITH ANOTHER MOBILE PHONE

1. Turn the Jabra Play off (press and hold the Answer/end button for 4 seconds).
2. Press and hold the Answer/end button (6 secs) until the LED indicator flashes blue.
3. Activate Bluetooth on your Mobile phone, and select Jabra Play. If asked for a PIN code enter 0000.

	Low battery

SUPPORT

FAQ

Q I hear crackling noises

A Bluetooth is a radio technology that is sensitive to objects between the Jabra Play and the connected device. Ensure the Jabra Play and the connected device are within 33 feet (10 meters) of each other, with no major objects in the way (walls, etc.).

Q I cannot hear anything

A - Increase the speaker volume.

- Ensure that the Jabra Play is paired to a device that is playing.
- Make sure your phone is connected to the Jabra Play by tapping the **Answer/end button**.

Q I am having pairing problems

A You may have deleted your Jabra Play pairing connection to your mobile phone. Follow the pairing instructions again.

Q Will the Jabra Playsupport other Bluetooth equipment?

A The Jabra Play is designed to work with Bluetooth mobile phones. It can also support other Bluetooth devices that are compliant with Bluetooth version 1.1 or higher and support a headset, hands-free and/or advance audio distribution profile.

Q I cannot use Reject call or Redial

A These features require your mobile phone to support a hands-free profile. Refer to your mobile phone user manual for more details.

HOW TO CARE FOR YOUR JABRA PLAY

- Always store the Jabra Play with the power off and safely protected.
- Avoid storage at extreme temperatures (above 45°C/113°F or below -10°C/14°F). This can shorten battery life and may affect operation. High temperatures may also degrade performance.
- Do not expose the Jabra Play to rain or other liquids.
